

Private Winery Weddings

Welcome to Priam Vineyards, voted CT Winery of the Year multiple times, by the New York International and Berlin, Germany International Wine Competitions. In addition, we have been awarded WeddingWire Couples' Choice for the past three years.

We are one of the largest outdoor venues, as well as the only vineyard & winery in New England, and one of fourteen in the country to be completely Vegan Certified by the BevVeg organization. We are a completely, solar-powered winery and sustainable vineyard nestled in the Salmon River Watershed area. Our sixteen International Award-Winning wines produced are estate grown, blended, bottled and cellared on premises.

Our International Award-Winning winery provides a unique environment for your wedding or celebration of those special life moments. Our beautiful, spacious new "Winemaker's Room" was designed for private events. The room is filled with light, creating an elegant, relaxed environment for any type of event. The winery patio submerges your guests in the beautiful views of the vineyard and magnificent natural surroundings.

We've created complete site & catering packages to help make planning your wedding a stress-free experience. Priam Vineyards, along with our award-winning catering partner, Gourmet Galley Catering, will help to create a memorable and impressive event for your guests, providing them with the highest of quality in food, wine and service.

We will be happy to meet with you to show the site and review the package in detail at your convenience.

2020/2021 WINERY WEDDING

3 HOUR MAXIMUM Wedding*, 30 guest min.

A quote can be provided to give you an idea of your site costs. Catering will provide a separate quote of their fees based on your selections.
